No day is like any other. Mood, opinions, ideas, everything is constantly changing, and this is also true of people's living space. Working together with you, we realise creative room space.

Kein Tag ist wie der andere. Stimmungen, Sichtweisen, Ideen – alles ist in ständiger Veränderung, das gilt auch für den Lebensraum Mensch. Gemeinsam mit Ihnen verwirklichen wir kreative Raumkonzepte.

As one of the global leading manufacturer of solid surfaces and together with our long-standing partners, we offer you products and solutions for many areas of use. Through our global network we offer our customer a comprehensive product portfolio in different price segments but always provided with a seal of quality from Hanex.

Als weltweit führender Hersteller im Umfeld von Mineralwerkstoff bieten wir gemeinsam mit unseren langjährigen Partnern für zahlreiche Einsatzbereiche die passenden Produkte und Lösungen. Durch unser globales Netzwerk stellen wir ein breitdiversifiziertes Produktportfolio in verschiedenen Preissegmenten zur Verfügung, das stets mit einem Qualitätssiegel von Hanex ausgezeichnet ist.

Personalise your design. The wide range of solid surface aesthetics offer an inspiring selection of solid, textured and translucent tones. You can accentuate your design with inlays or by contrasting your bowl and surface colours. It is also possible to combine your sinks and bowls with other materials like metal, wood, stone or glass.

Personalisieren Sie Ihr eigenes Design. Unsere breite Farbpalette bietet eine inspirierende Auswahl an einfarbigen, texturierten und transluzenten Tönen, die sich entweder allein oder aufmerksamkeitsstark miteinander kombiniert einsetzen lassen. Darüber hinaus können Spülen und Becken in vielfältiger Kombination mit anderen Materialien wie Metall, Holz, Stein, Glas eingesetzt werden.

The unlimited design flexibility of Hanex enables you to create a beautiful and durable aesthetic in any high-end interior design and fit-out for commercial areas, be it a hospital, hotel or restaurant.

Die Möglichkeiten, die Hanex in den verschiedensten Anwendungsbereichen wie Medizin, Hotellerie, Gastgewerbe, Industrie und besonders im hochwertigen Innenausbau und Objektbereich bietet, sind beinahe grenzenlos.

Hanex[®]

Casting Sinks & Bowls *Gegossene Spül- & Waschbecken*

Elegant, practical & simple design
Our casting bowls are perfect for the high
hygienic requirements in the bathroom.
They are ideally for use in the commercial
area, like hotels and restaurants, based on
the convincing price-performance ratio.

*Elegantes, praktisches & schlichtes Design
Unsere gegossenen Becken eignen sich perfekt für
die hohen hygienischen Anforderungen im Bad.
Das unschlagbare Preis-Leistungsverhältnis macht
die Becken zudem ideal für den Einsatz im Objekt-
bereich, u.a. in Hotels und Restaurants.*

With our wide range of dimensions and shapes, we provide the right product for any interior atmosphere and lifestyle. Choose between built-in washbasins and kitchen sinks, which can be seamlessly integrated into a solid surface vanity top/worktop or combine a sit-on bowl with other exclusive materials for your personal items. There are no limits to your creativity.

Mit unserer Auswahl an Formen und Größen ist für jeden Wohn- und Lebensstil das passende dabei. Wählen Sie zwischen einem Einbaubecken, welches fugenlos in eine Mineralwerkstoff-Waschtisch- bzw. Arbeitsplatte integriert wird oder einem Aufsatzbecken, das mit anderen exklusiven Oberflächen für visuelle Kontraste sorgt. Lassen Sie Ihrer Kreativität einfach freien Lauf.

Hanex®

A photograph of a modern kitchen sink with a chrome faucet. The sink is white and has two basins. In the background, there is a window with a view of a city building. A stack of white plates is visible on the right side of the sink. The overall scene is bright and clean.

Hanex®

Thermoformed Sinks *Thermogeformte Spülen*
